#### Thought starters for personal reflection or group discussion

1. The Christian victory shout, and quiet defence, down through the centuries has been, "Jesus Christ is Lord". What does that mean?
2. Philipians 2:9 begins with the word "therefore". What are the reasons that lead to "therefore"; and what are the consequences that follow?
3. Read Matthew26:20-25. What did Judas say that was different, and why did his words go unnoticed by the other disciples?
4. Read Colossians 3:23. How is it possible to do a secular, unspiritual, job "as working for the Lord"?
5. Read 1 Peter 3:15. This verse begins with two instructions. What are they; and how do we fulfil them? How is it possible to balance "defense... and reason" with "gentleness and respect"?
