Discussion starters with no wrong answers:

1. When you smile at someone, you usually get a smile in return. Why do you think that happens? Do you think there are emotional benefits that come from smiling?
2. Were you raised with the thought that God was angry, happy, or...? In what ways does Jesus a) reinforce... b) challenge... that thought?
3. Heaven is a place where everything is perfect. So what do you suppose will be the most common feelings we experience there?
- 4.
5. Read Ephesians 2:4-10. Make a list of God's actions. For each of these, what is the personal attribute that drives the action?
6. From the same Scripture, make a list of our human contribution to the whole process. What is the ratio of Divine to Human actions in these verses, and what does that ratio suggest to you? Suggest some appropriate responses to God's actions.
7. Read v8-10 again. Living out our salvation involves living by Grace; by Faith; as a Gift; in Humility; by Serving. Which of these currently poses the greatest encouragement &/or challenge to you?
