Thought starters

1. Why do people cry at weddings? What makes you cry?
2. Read 2 Corinthians 4:5. Break that verse down into its component clauses. What is the important message in every clause?
3. Read John 1:11. Is talking about spiritual matters with your family really easy or really difficult?
4. How is it helpful to our witnessing: to see the unsaved as the potential bride of Christ?
5. Read Genesis 24:6,8. What was the one thing about which the father was adamant? Why would that be; and how does that relate to us?
6. List some advantages, and disadvantages, of the servant's prayer in v14, and actions in v21.
7. Verse 1-66 have been centred on the unnamed servant. Why is the final verse different?
