Thought starters for personal reflection or group discussion

1. What are the characteristics of a really good friendship?
2. To how many people are you are really good friend? Why can we be a really good friend to only a small number of people?
3. What advice would you give to someone who wants friends, but who says they have no friends?
4. Based on your answer to Q1, and Scripture, do you think Jesus had any friends? Were Jesus and Peter always friends? Were Jesus and Judas friends? What makes, and breaks, a friendship?
5. How do you know when it is time to end a friendship?
6. Is it possible to have non-Christian friends that are as close as Christian friends?
