Thought starters for personal reflection or group discussion

1. What causes a breakdown of our relationship with God?
2. How do we become aware of a breakdown of our relationship with God?
3. What causes a breakdown of relationships between husband and wife; between parent and child?
4. Why do you need to know the cause of a breakdown of relationships before there can be reconciliation?
5. In addition to knowing why a relationship has broken down, what else is needed before there can be reconciliation?
6. List what makes peace-makers like their Heavenly Father.
